

LEN WORLEY
... retiring

Worley calls it a day

LEN WORLEY, a legend at Wycombe Wanderers for 14 years, has decided to call it a day and hang up his boots once and for all.

The England International left Wanderers three years ago and after considering giving up the game, had spells with Wealdstone, Slough and Hayes before becoming a regular member of Chesham United's first team. This season, however, he was unable to keep a regular first team place and spent much of his time in the reserves.

Worley, 35, whose skilful running on the wings made him a real favourite with the Wycombe fans, spent 14 years with the club and was in the Amateur Cup final team of 1957 when the Blues lost 3-1 to Bishop Auckland.

A former Tottenham Hotspur player, Len won seven England amateur caps, starting his career with local Wycombe Combination side Chalfont Wasps before graduating into senior football.

ERNEST Turners Res. gave a fine performance before losing 1-2 to Hungerford Res. in the Hellenic League Reserves Division One on Saturday.

PRINCES Risborough Res. went down 2-3 to Abingdon United Res. in Saturday's Hellenic League Reserve Division Two game on Saturday.

GERRARDS Cross beat Wallingford 2-0 to reinforce their position in the leading section of the Truman Hockey League.
